Access to Independence offers two tracks of accessibility services: one for individuals, and one for businesses.

ATI is committed to providing our clients with the highest quality barrier-free remodeling services and products designed to make the home environment more user

Personal Services:

ATI can make it easier for you to carry out your daily activities around your home.

ATI can inspect your home for hazards and barriers and recommend the right changes to preserve or restore your safety and independence.

ATI can see through completion any modifications to your home based on your specific needs and budget.

ATI has the advantage of understanding disabilities and developmental issues across the lifespan. ATI uses this knowledge to recommend only those services and products that will suit your lifestyle and promote your independence.

Business Services:

ATI can help your business meet the guidelines of the ADA and the NYS Uniform Fire Protection & Building Codes.

ATI can help to ensure that everyone, including persons with disabilities and the elderly, will be able to enjoy the benefits of your business.
